Quench your Thirst

When you drink something out of an Aquasteel Water Bottle, the water taste tastes the same as when you put in. Unlike our competitors, eGM is offering a Water Bottle that is designed to preserve freshness.

FOR RETAILERS / RESELLERS

By simply setting up a retailer account, you will begin to accrue profits from your sales almost immediately with no investment necessary.

After you establish an account, we'll send you high-resolution images and text to put in your database.

The eGM Aquasteel Containers retail for \$9.99 each. However, we are offering special incentive deals and coupons that provide up to 70% off.

Stainless Steel

12 Oz. capacity

Durable and reusable

Hiking Clip included

Screw bottle Cap

Lifetime Warranty

FROM eGM

The Round smooth surface of the drinking spout creates a great product that no one else can offer. Combine this with the great durability of a water bottle and you will see how we came to the idea of Aquasteel.

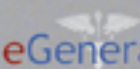

We here at eGM can proudly attest to our product by our history as a leading competitor in the water bottle industry because we stand by our products. We give a life-time warranty for all of them.
